Kinder-4 Parents

I am thrilled to be the new Principal of Kingsdale Academy. I am sure you are as nervous and excited as I am to start a new school experience!

The teachers are on a well-deserved holiday but I thought I would touch base and explain a few things. I know you all must be wondering what will happen come August.

Some important dates:

**Wednesday, August 28, 2019**

**Meet the Teacher Evening (parents only please)**

This will be an important information session where you will meet your child's teachers as well as other people who will play key roles in your child's first adventure in school. Please bring any questions you may have.

We will send you more information closer to the date.

**Friday, September 6, 2019**

School will officially start for our Kindergarten 4 students. Your child will attend school for short periods of time in the week before. This will help your child (and you) transition into the school setting nicely.

You will receive a schedule at the information session. Please know the daycare will not be open to K4 students at this time so **you will need to arrange childcare until September 6<sup>th</sup>.**

I encourage you to bring your child to school during the first few weeks of class. It would be a lot for them to introduce a school bus at this time. It will also help reassure your child and help the teachers get to know you.

The K-4 Kindergarten Program encourages a strong link between home and school. Together, I am positive we can ensure an amazing school year for you and your child.

Please enjoy the rest of your summer.
