

KINGSDALE TIMES

December Events

Miss K and her team of elves organized all the groceries and gifts we had collected for our holiday baskets project. They worked super hard putting everything together for some of our Kingsdale families, which will hopefully bring some well-deserved Christmas cheer.

Miss Barbara and the "snowflake club" got to work making beautiful paper snowflakes which now decorate the whole school and look amazingly festive!

K4 and K5 had a potato latke breakfast organized by their teachers. They had help from Miss Lisa and Miss Marion and the whole school smelled delicious!!

On Monday Dec 14th we all wore "ugly" sweaters or holiday colours and in the afternoon we had a holiday quiz, for the whole school in our own bubbles....over the loudspeaker! The winning class all received a sweet treat!

On Tuesday Dec 15th it was pajama day ...a comfy, cozy, fun filled day, with class games and holiday movies.

Wednesday Dec 16th was the last day before the holidays and each class had fun activities planned. we also had a very special guest drop in to see everyone....a big, happy guy with a white beard and a red suit who likes to say "ho, ho, ho!!" a lot.

Friday Dec 18th Miss Liana organized a whole school "sing a long" on zoom with everyone zooming from home but it felt like we were all having fun together... so much fun!!!

Latkes

A stocking full of toys for each class.
Thank you Mrs. Beland!!!

Holiday letter from the editor...Miss Suzannah

Hello to all of our readers at this special time of the year! Whether you celebrate Hanukkah, Christmas, Diwali or another beautiful tradition.....we are happy to share our holiday edition of the Kingsdale times with you.

2020 certainly has been a "different" year in so many ways. Most of us have not been able to spend time with people we care about and it is very hard. we have all tried to keep things as normal as possible at school and even though it has been tough, we are all so proud of how you have all been handling the changes and new rules we have all been living by.

Maybe, over the holidays, we can be creative in connecting with family and friends over facetime, zoom, phone calls or even old fashioned letter writing!

however you choose to celebrate....please remember to rest, relax, have fun, be kind and don't drive your parents crazy over the next 2 weeks!☺

Stay safe and see you all in 2021.

Love and "socially distanced" hugs

THE JANUARY TV SHOW OF THE MONTH

RAISING DION

Following his dad's death, Dion gets curious about what happened to his dad. Weird things start happening and Dion and his mother must learn to hide his new magic powers. This is an intriguing, mysterious show and I would definitely recommend it.

You can find it on Netflix.
That's all for the January TV show of the Month.
