Letter from the Editor

HELLO EVERYONE!

Well, another month is flying by....the snow is starting to melt and dare I say that I feel spring is in the air?!! 😊 We will soon be able to think about planting our Kingsdale community garden boxes outside in the school yard...The Eco Freakos are pretty excited about that! Kingsdale is buzzing with activity as usual with fun activities for CARNIVAL WEEK including Crazy Hair Day and Tropical Day...count me in! Many thanks to Mr C, Mrs C and their student teachers as well as the carnival committee for organizing these fun activities. Happy International Women's Day to all the Mums, Nanas, Aunts and Sisters in our community. All of your love and support will build an amazing group of strong women in the generation to come 😊
Hoping everyone is safe and well, sending love and hugs to you all.

WORLD DOWN'S SYNDROME DAY

On March 22nd we will recognize and celebrate World Down Syndrome Day by asking everyone to wear crazy socks. Matteo, who is one of our grade 5 students in 503.... will be helping to make and distribute posters to promote the event. Matteo will tell you that Down's syndrome is his "SUPER POWER"!!! Way to go Matteo!

VIDEO GAME OF THE MONTH

By Jamal and Kaleb

The March edition of video game of the month will be Hello Neighbor.

In the game, you move into a new house, and then you realize your neighbor is acting strange. GOOD LUCK EVERYONE 😊 So you go and break into the neighbor's house and try to investigate like a normal person would. Hide in closets, run away from the neighbor, and break into his basement and find out what mysteries lie in it. Get it, lies, like not telling the truth, he he... Ok it's not that funny

Our rating: this game is an amazing stealth game that might make you jump a bit! 5 stars!

Best Apple Muffins

By Maggie

When I made these apple muffins, they were so good. My family loved them. I hope yours will too!

What you need:

- 2 ½ cups All-purpose flour
- 1 red apple (peeled, cored and diced)
- 1 ½ cup of brown sugar
- 2 ½ tsp. of cinnamon
- ½ tsp. of salt
- 1 tsp. of baking soda
- 1 tsp. of vanilla extract
- 1 large egg
- ½ cup applesauce
- ½ cup plain yogurt
- 1 cup apple juice
- 1 tsp. of nutmeg

Preheat the oven to 350 F (180 C) and grease a 12-cup muffin tin with 1 tbsp. butter.

Make the muffin batter: In a large bowl, add the flour, apple, brown sugar, salt, baking soda, vanilla, egg, applesauce, plain yogurt, applesauce and nutmeg until well combined.

Divide the batter between the cups of the muffin tin.

Bake for 30 minutes, or until a toothpick inserted comes out clean in the center of a muffin.

Enjoy! :)

Baker's tip: Muffins are yummiest when warm!

Creativity in the Classroom

By Mykaela

I went to different classes to ask them what fun, exciting things they are doing and this is what they told me!

Art Room with Miss Carolyn

Grade 2 and 3 are making snow bunnies with watercolor markers, pencil crayons and soft pencil. They are beautiful. Grade two is learning about the artist, Romero Britto. His work is really colorful. His art is fun and cool!

Miss Arcamone- Grade 3

They told me about a lot of things that they are learning like black history and they are all doing projects about animals.

MISS LIA'S GRADE 3 CLASS

Elizabeth from Eco Quartier paid a visit to Miss Lia's class, to talk to them about worm composting. They learned how to make and maintain a worm farm. The worms will live in their cozy box in the classroom and will produce compost over the next few months, which we can then use in the Kingsdale community garden boxes!

WONDERFUL WORMS

GRADE 5 (503)

Miss Shivani and Miss Lauren's grade 5 class are about to start a pen pal link to some students from a school in Purley, London, England!!! We will be sending our first letters soon telling them all about life in Canada and hopefully making some new friends!!
