Dear Kingsdale Community,

In March, our world was turned upside down. We had to find a flexible and growth mindset from deep within. Staff, students and parents had to quickly learn a new way of thinking, living and acting. The Kingsdale Community rallied and took care of each other.

On behalf of the entire staff at Kingsdale Academy, I would like to thank you for your continued support through this challenging and difficult school year. It has been quite a first year for me and I do appreciate the support of parents, staff, Governing Board and Home and School.

Our school team and parent community which remained united during this pandemic and collaborated while constantly adapting to many new realities connected to learning. Together we found success and supported our students – your children.

Please note that the **school office will be closed as of Wednesday, July 8th, 2020 at 2:00pm**. We will be return “with bells on” on **Monday, August 10th, 2020**. Shortly after our return, you will be updated with any new information about our return to school.

For now, the plan is for classes to resume for all of our students on **Monday, August 31st, 2020**. Our Kindergarteners (4 and 5) will follow a longer “staggered entry’ and parents will receive a letter outlining how our newest students will begin their school year.

Please have a safe and happy summer!

Sincerely,

Natalie Knott
